FOREWORD

To preserve in permanent form a record of faces, events and interests of the school year this volume is published.

The theme, aviation, was chosen to give a setting characteristic of the present interests of the city and students.

At a country fair in Virginia in 1906 an airplane lifted itself from the ground, rose to 1,000 feet and circled around over the crowd. In two or three minutes, the pilot slowed his motor down and headed toward the earth. The "flying machine" had stayed up in the air seven minutes.

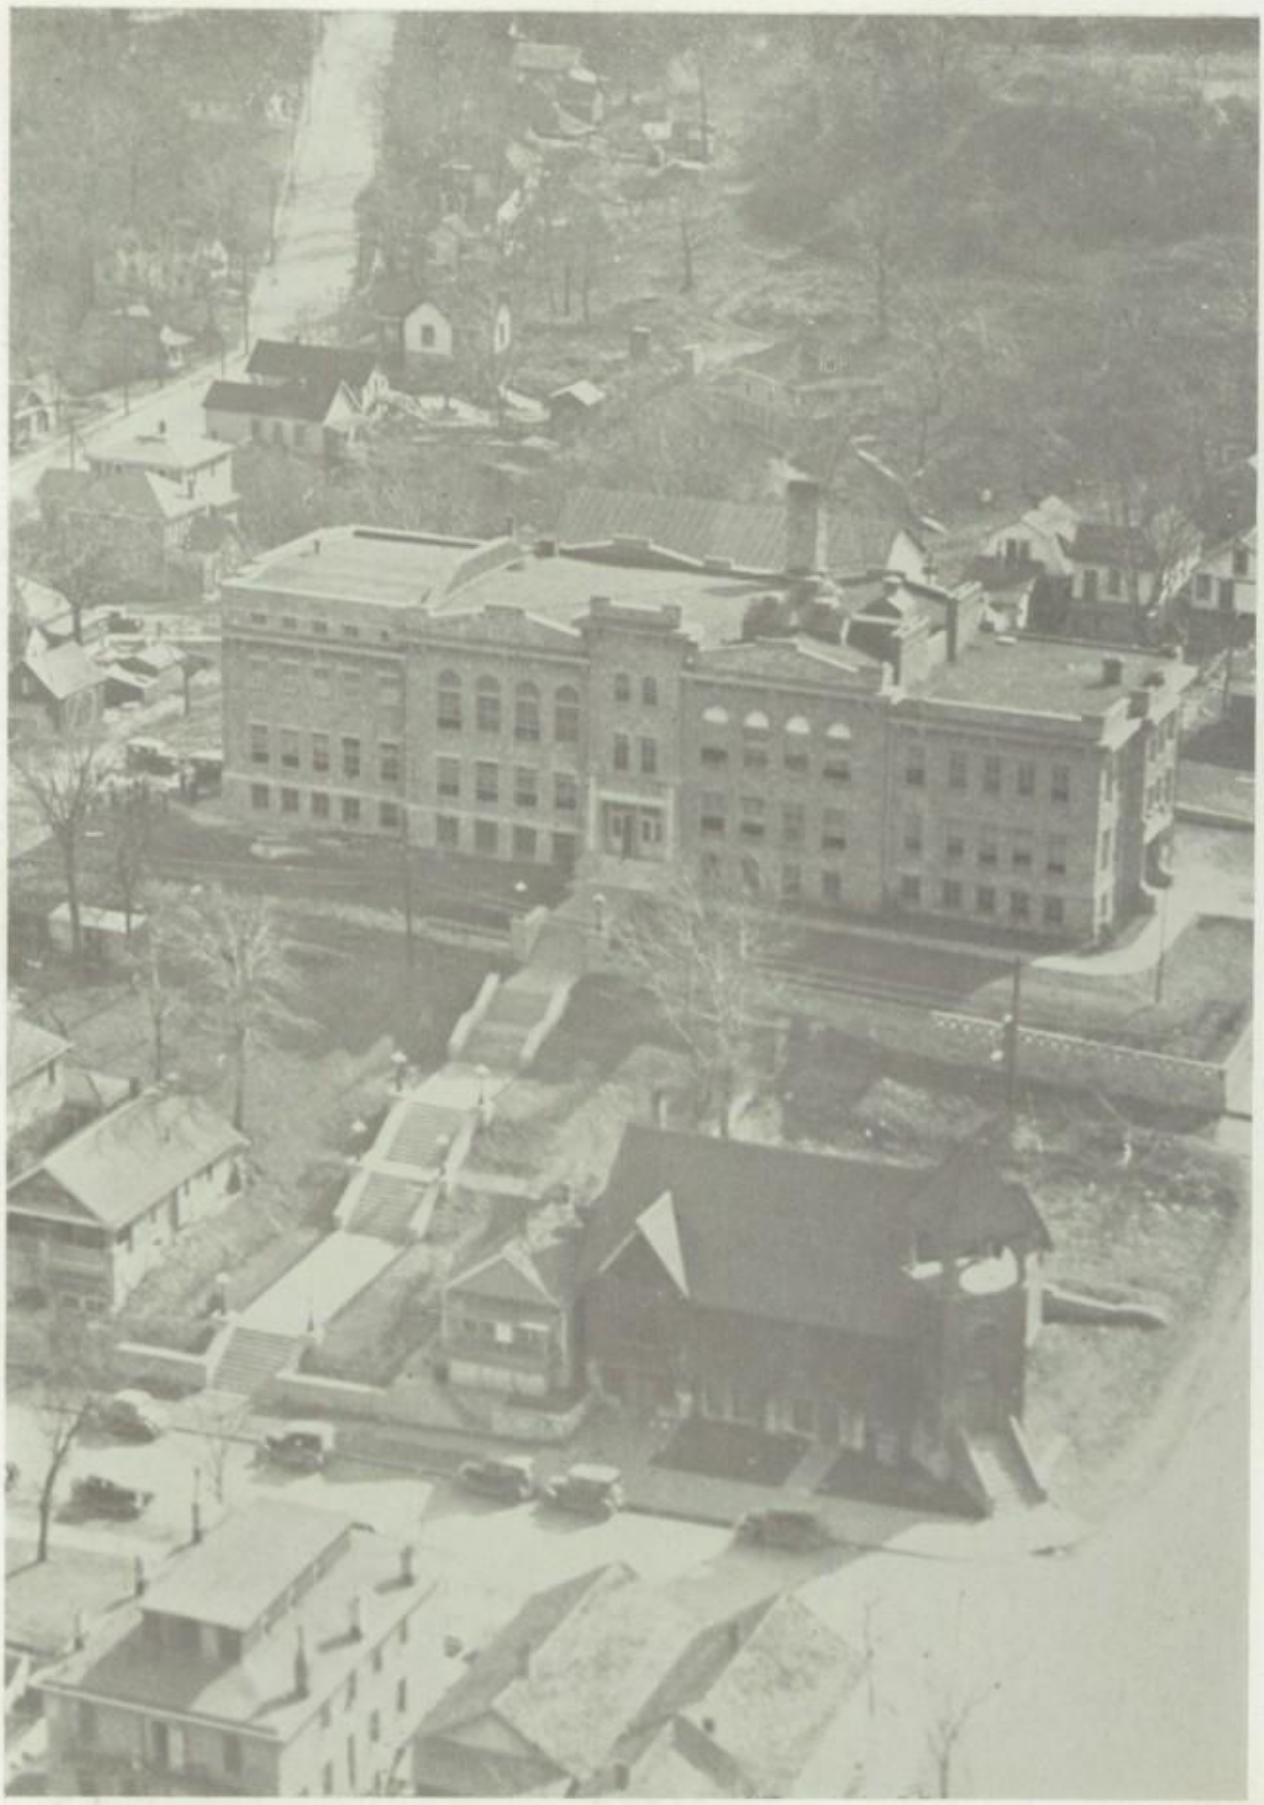
A contrast to the first plane is the modern air liner which flie. across the continent day and night, equipped as elaborately for ease and comfort as any train, with all its luxury and comforts for travel.

DEDICATION

To the spirit of advancement of science which is constantly kindling in the hearts of students new fires of ambition to develop further fields that will enable people to live richer, fuller and better lives, this book is dedicated.

Charles A. Lindbergh declared that the credit for his flight should not go to the pilot alone, but to American science and genius which had given years of study to the advancement of aeronautics.



AIRPLANE VIEW OF HIGH SCHOOL BUILDING

Kansas City, situated at the "crossroads" of the air, sees mail planes come and go, transport ships load and unload passengers, and trans-continental fliers pause for supplies. It may truly be said to be the hub of aviation. This new and rapid development has given inspiration to the city and especially to its schools. It has aroused new interest in mathematics, mechanics, art and many other lines of school work.

PLANS FOR VOCATIONAL COURSES

A primary step in vocational education will be taken at the Argentine High School next year. A curriculum embodying the ideas of industrial training is being worked out. In connection with this, a greater opportunity for training in a specialized line of work will be offered to the students.

Argentine, situated as it is, in an industrial center, offers many opportunities for industrial work. The Santa Fe will credit hour for hour all time spent in the wood working department toward a carpenter apprenticeship to any high school graduate.

Room for a machine shop will be provided in the new building now under construction, and the Santa Fe has offered to credit time spent there toward a machinist apprenticeship. This will be even more of an inducement for students to remain in school for at least a high school education.

It is the feeling of many educators that the high schools do not offer enough vocational training and Argentine is falling in line by offering a curriculum of semi-vocational training to those who wish to go from the high school directly into the industries or into business.

This vocational work is to be a follow-up of the trades information work in the Junior high school.

For the girls, a course in home making is to be introduced. This will consist of sewing and cooking and matters pertaining to the selection of foods and clothes. A certain amount of it will be required of every girl beginning with junior high school grades.

School Songs

GOLD AND BLUE

Argentine, Argentine is the high school
Where we learn and are taught the Golden Rule,
To be fair to the foe is the one great motto,
Of this high school in Argentine,
So with loyal hearts we sing,
Our sincere tribute we bring,
To honor with one thought and voice,
The high school of our choice.

CHORUS

Now you laddies, lassies, listen,
It's Argentine,
Argentine with its colors so true,
We are thinking of you always, dear Argentine,
Argentine with its Gold and Blue,
It's our pride upon the hill-side,
Where we work with will and win,
Now you laddies, lassies listen,
It's Argentine, Argentine that will make all things spin.

COCK-A-DOO-DLE-DOO

Cock-a-doo-dle-doo, I'm for Old Argentine;
I am proud of it and so,
I will crow and crow and crow;
Cock-a-doo-dle-doo, I'm for Old Argentine;
And I'm crowing for I'm growing
In Old Argentine.

ONWARD ARGENTINE

Onward Argentine
Onward Argentine
We'll stand up for you,
Fight and hold for blue and gold
To these colors we are true,
Rah-rah-rah.
Stand and cheer boys
Never fear boys
A. H. S. our pride
Cheer cheer the gang's all here
For A. H. S.

PERSONALITY

Personality was the school project for the year 1929-30, set forth by M. E. Pearsin, superintendent of schools, for the students of Kansas City, Kansas.

It was his aim for the students and teachers to take up the study of some phase of personality each month during the year. In working out plans for the project, special topics were assigned for study each month. The topics: Manner and Refinement, Poise and Posture, Dress and Address, Social Adjustment, Confidence, Ambition, Energy and Will to Do, and Mental Hygiene.

Football

The Football Season

The football season started off with a bang this year with some thirty-five men answering Coach George Holtfrerich's call to the gridiron September 9. Mr. Holtfrerich had six letter men to use as a nucleus to build his team around.

Charles Weldon, elected captain last year, twisted his knee during the summer, and as it did not heal enough for him to take part in any game during the season, Coach Holtfrerich appointed Quarterback John Innes to act as captain throughout the year.

Argentine placed five worthy men on the all-city team.

Argentine, 0; *Leavenworth,* 12

This was Argentine's first game of the season and ended disastrously for the light, inexperienced team.

Argentine, 0; *Rockhurst,* 13

The small Mustang team was unable to hold the much heavier, more experienced "Irish" team from Rockhurst high in Kansas City, Missouri, and lost by a 13 to 0 score.

Argentine, 0; *Wyandotte,* 0

Argentine won a moral victory over the "Bulldogs" of Wyandotte high school, October 18. The game found both teams battling on fairly even terms all through.

CHARLES WELDON
Captain

Football Squad

First Row—Childers, Arnold, Miller, Moore, G. F. Holtfrerich (Coach), R. Innes, Brown, Fry, Burgard.
Second Row—McMillian, Lattin, Johnson, Daniels, J. Innes, Kerr, Browning, Amayo.

JOHN INNES
Captain-elect

Argentine, 0; *DeSoto,* 0

The fourth game was a moral defeat, for several times the Mustangs lost opportunities to score against the much lighter DeSoto team.

Argentine, 0; *Olathe,* 13

The fast Olathe "Eagles" trounced the Argentine eleven on an ideal day for football. Olathe used every football strategy in pushing over the thirteen points as the Mustangs' wall crumbled.

Argentine, 6; *Shawnee Mission,* 0

The sixth game of the season found the Mustangs chalking up their first counter of the year. The game was on even terms until the fourth quarter when the Mustangs, led by Amayo, with line plunges, end runs and passes, took the ball in their own territory and marched down the field for the touchdown.

Argentine, 0; *Lawrence,* 77

This game was the worst defeat in the history of the school. It was just a track meet for Lawrence, but put more fight into the team.

Argentine, 7; *Rosedale,* 0

"Turkey Day" proved happy day for the Mustangs, when they walked on the Wildcats of Mount Marty to tie with Wyandotte for the unofficial title of Kansas City, Kansas. The Bulldogs had also beaten Rosedale 7 to 0.

Bob Brown, halfback of the Mustangs, pushed the ball over the last white line when he picked up a fumbled ball. Amayo hit the line for the extra point.

Football Squad

First Row—Chillers, Arnold, Miller, Moore, Mr. G. F. Holtfrerich (Coach), R. Innes, Brown, Fry, Burgard.
Second Row—McMillian, Lattin, Johnson, Daniels, J. Innes, Browning, Amayo, Ketchum.
Third Row—Gilyeat, Craig, P. Innes, Kerr, Stockton, Stevens, Cartmell, Keyes, Baker.

Couches

GEORGE HOLTFRERICH
Coach

This is the second year George Holtfrerich, coach, has worked with the athletes of the Argentine High School. He came to Argentine from McPherson High School of McPherson, Kansas. Coach Holtfrerich graduated from the Kansas State Teachers' College, where he won letters in all three major sports, football, basket ball and track.

J. C. SHANKLAND
Coach

J. C. Shankland, assistant coach, is a graduate of the College of Emporia, where he won letters in football, basket ball and track. He coached a successful three years at Leavenworth High School before he came to Argentine High School.

Cheer Leaders

ORLOW HARRISON

MARESE SMITH

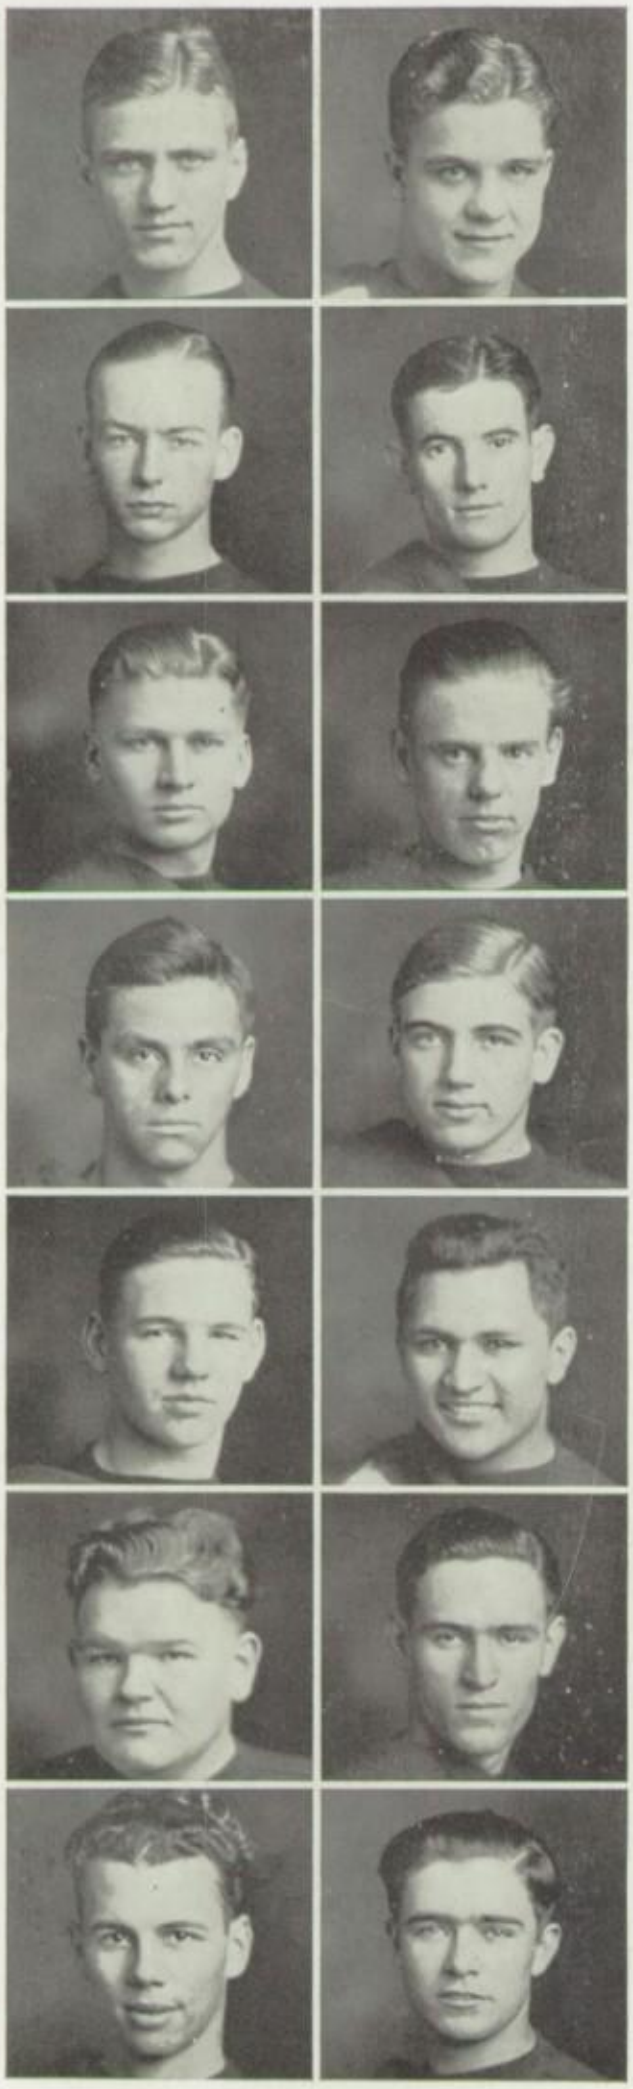
BEN STOTT

Three new cheer leaders took the cheering in hand this year. They were: Marese Smith, senior, head cheer leader; Orlow Harrison, senior; and Ben Stott, junior.

The cheer leaders were elected by a committee consisting of a few members of the faculty and students.

The costume consisted of a light weight blue knitted wool sweater with a gold megaphone on the front, on which were the letters "A. H. S.". On the back was a gold mustang.

Football Letter Men



NORVAL MOORE (tackle) was one of the best tackles turned out from Argentine. He made the all-city team. He was a mainstay in the left side of the line. The team will miss his services next year, as he graduated.

RAY FRY (guard). Fry played under a handicap this year as it was his first year out. Being a senior, he had a hard time making the squad.

CHARLES ARNOLD (end) was awarded a letter this year for the first time. He is a senior and will not be back next year.

ROBERT BROWN (halfback). Bob played the halfback position for all he was worth. He did most of the punting for the team. This is his first letter made in football. He graduates.

NORRIS MILLER (end). Norris was one of the best ends in the city. He made the all-city team. He made his second letter this year. He graduates.

JOHN INNES (acting captain, quarterback). That the Scotchman did a good job at quarterback position, was proved by his appointment to the all-city team. He made a letter last year playing in the line. John is a junior.

MARCUS DeLEON (end) played only half of the season as he was ineligible because of age. This year he made his third letter. He graduates.

FRED JOHNSON (backfield). Fred played a good game and was always ready to go in and do his best. He is a junior.

ROBERT INNES (tackle). Bob is the same as his brother John, Scotch. He always played a good tight game. He will be back two more years.

JOE AMAYO (fullback). Joe's hard hitting and backing up of the line made him a very valuable man. Joe made the all-city team. He made his second letter this year and will be back two more years.

ARMER DANIELS (center). Armer made his first letter this year. He ran a close race for the all-city team. He was nosed out by Hobson of Wyandotte, because of lack of experience. He graduates.

HOWARD KNAPP (guard). He made the all-city team. He is a sophomore and will be back.

FLOYD CHILDERS (halfback) proved his worth this year by his fast running around the ends. He is a junior and will be a big help next year.

CARL BURGARD (end). Carl made his first letter this year. He will be back next year.

Boys' "A" Club

The "A" Club is an organization of young men in the Argentine High School who, by their resources, or by undaunted efforts, have earned one or more first team letters in any of the outstanding sports: Football, basket ball, baseball, track, tennis or golf.

The club was founded in 1918 with the idea and purpose of inspiring and encouraging young men to enter into the field of physical activities, promoting closer relationship and sportsmanship between the young men of this school and the young men of other schools. The club also brings the athlete closer to the student body and safeguards the success of the different teams as a whole, by aiding them in stimulating and creating an interest in the school and in the public outside the school. It creates better and clearer thinking for the young man who enters into any of the sports he chooses. The letter represents not only physical success of the person, but it creates an understanding of higher learning. The experience and accomplishment are worth the time, work and effort expended to meet the requirements for admission to this organization.

The presentation of a letter depends upon the amount of participation in the first team's games in any sport in one season. To receive a letter in any of the outstanding sports, one must be recommended by the coaches and approved by the principal. This, however, does not mean that if a letter is awarded to a person that that person is in the "A" Club. He must be voted in by the active members of the club. Previously to this year special requirements were set for each sport, but as this was the only school in the state of Kansas with such requirements, these were changed.

Each year the "A" Club has a banquet. The money for the affair is raised by the active members by giving picture shows and entertainments at the high school.

The "A" Club initiation creates interest for the "onlookers", but trouble and work for the fellows who are entering the club.

Basket Ball

1930

Senior High School Basket Ball Season

NORVAL MOORE
Captain

Basket ball practice began December 10 with thirty-five men reporting for workout. Coach Holtfrerich had plenty of experienced material, so the number was cut and work was started. Norval Moore was elected to fill the position as captain for the season. The Mustangs had four letter men and all were in the games and gave all they had to win. Material was plentiful and little time was taken in preparing for the first game that was to be played within a week. The team had a very stiff schedule and met some of the strongest teams in the state.

Argentine, 30; *Excelsior Springs,* 11

The first game of the season found the Mustanks playing to form, when they trampled the Excelsior five on the home court. It proved that the Mustangs would be able to hold their own with any team in the league.

Argentine, 15; *Ottawa,* 13

The fourth game of the season found the Mustangs still going strong. This game proved to be a thriller for the crowd. The game was close from start to finish. The final two or three minutes proved to be too much for the Ottawa five.

Argentine, 13; *Rosedale,* 14

Again the Rosedale quintet invaded the Argentine camp to defeat Argentine by one point. Last year it pulled the same trick and won by one point. The game was the second defeat of the season for the Mustangs and was hard for the Mustangs' followers.

First Team Basket Ball Squad

First Row—Lloyd, Moore, Mr. George Holtfrerich (Coach), C. Johnson. Miller.
Second Row—Innes, Brown, Arnold, G. Johnson, Amayo.

Argentine, 11; *Lawrence,* 24

The University City five, with its strong team, proved to be too much for the Mustangs. Lawrence, rated as one of the leading teams of the Northeast league, did not get started until the last half that proved fatal to the Mustangs.

Argentine, 8; *Olathe,* 12

A different style of game was played by the visitors, which puzzled many fans. The game was a stalling affair, with the visitors in the back court holding the ball most of the time.

Argentine, 8; *Wyandotte,* 34

The Mustangs had hit a slump and the Bulldogs defeated the Mustangs for the second time this year. The height proved to be too much for them.

Argentine, 25; *Shawnee Mission,* 20

The last game of the season found the Mustangs back to their normal stride. After losing so many games, the Mustangs came back to defeat the Indians in the last game of the season. The game was played on the Wyandotte High School court.

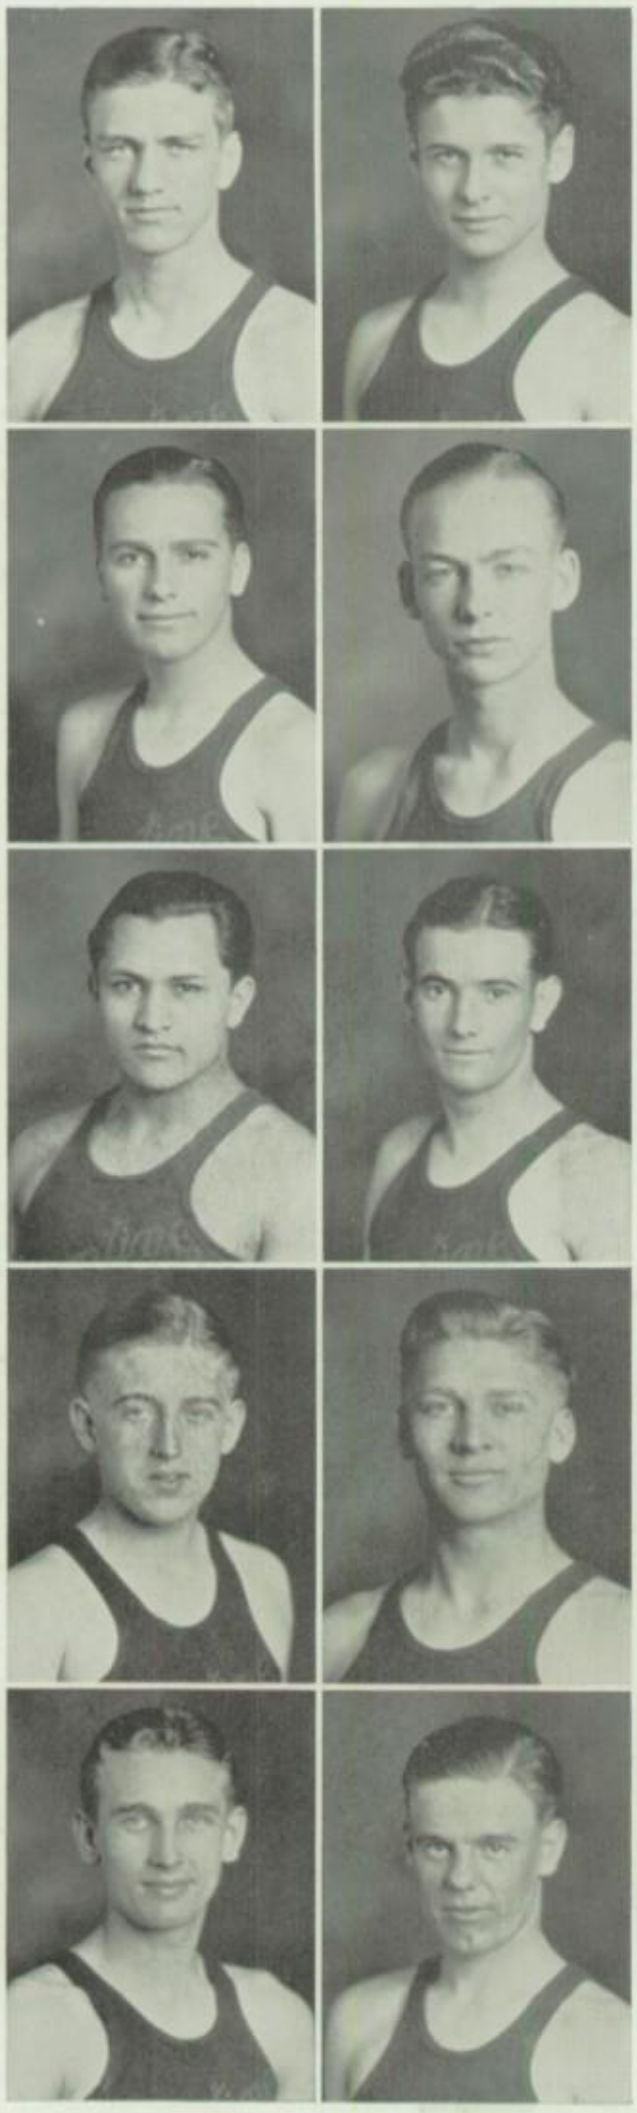
Basket Ball Letter Men



NORVAL MOORE played center and was very seldom out-jumped. Norval was captain and proved to be a capable man to hold down the position. This year he won his second letter in basket ball. He will not be back next year.

GLEN LLOYD played forward and was a hard man to stop when he started hitting the basket. He proved to be a mainstay and will be missed next year. He is a senior.

CLEO WELLS played a good game as guard. He played only a few games, as the nine-semester rule caught him before the season was well started.

CHARLES ARNOLD played his first year at forward and was always in scrapping. Wherever the ball was he was, taking some part in having it. He is a senior.

JOE AMAYO, playing guard, was a mainstay in the "Mustang" defense and was able to handle his part well. He will be a very valuable man, for he has two more years.

ROBERT BROWN held down a forward position and proved to be a big help to the team when he came through with his timely shots. He was strong on the defense, as well as the offense. He is a senior.

GROVER JOHNSON plays a forward position and will be a very valuable man for the team next year.

NORRIS MILLER proved to be a good guard in several games. He had the ability to score and proved it by his long shots. He played hard all the time. He is a senior.

CHARLES JOHNSON played at center, always ready to go whenever needed. His height will help out next year when he fills Moore's position.

JOHN INNES played guard and proved to be a good man on the defense. He also proved his scoring ability and will be a valuable man next year. He is a junior.

Junior High School Basket Ball Season

When Coach Hoover put in his call for Junior High basket ball practice, several men took notice. Being without any letter men, he cut the squad to about seventeen and began to prepare for the oncoming season.

Several men had some experience on the second team last year and a squad was picked to represent the Argentine Junior High School. The spirit that was displayed between the players and Coach Hoover proved to be a big help in putting out a team.

The team met some of the strongest teams in the city and proved to be a strong quintet. The games were close and the results indicate that some good material should be ready for the senior high team next year.

The following members won their letters and were in the starting lineup for most of the games:

Robert Thomas, center; Nathan Dix, forward; Kenneth Woods, forward; Morris Ketchum, guard; Robert Fry, guard; Glen Menegay, center; John Madison, forward.

The requirement to win a letter is to play in a majority of the quarters played during the season.

F. S. HOOVER
Coach

F. S. Hoover, junior high school coach, is a graduate of McPherson College, where he participated in both football and basket ball. He came to Argentine during the fall of 1926 as successor of Roscoe Brown, now coach at Rosedale High School.

First Row—Moberly, Thomas, W. Miller, Madison.
Second Row—Cathy, Williams, Menegay, Hall, Woods.
Third Row—Wells, Fry. Keyes, Ketchum, Dix, Haas.

Track

Senior High Track Season

With several letter men back and some valuable material coming in from the Junior High School a good track team represented the high school in several meets this year.

Some of the men to show up this season are Robert Brown, Norris Miller, Robert Payne, Howard Knapp, Floyd Childers, Joe Amayo. Most of the letter men won several firsts in different meets last year.

The team entered several meets this year, some relays and some dual meets. The following are some of the meets entered: Kansas Relays at Lawrence April 18, Baker Relays at Baldwin April 26, Northeast Kansas League Meet May 3, State Sectional Meet May 9, and the Intercity Meet. Those who received first or second in the Sectional Meet competed in the State Meet held at Manhattan May 16 and 17.

The team last year scheduled two dual meets, winning from the Leavenworth High School and losing to Manual High. Charles Weldon and Norris Miller represented Argentine at the sectional meet at Ottawa. Miller was the only one entered in the State Meet.

Senior High School Track Squad

First Row—J. C. Shankland (Coach), Campbell, Stephan, Eversole, Brunk, G. E. Holtfrerich (Coach), Miller, DeLeon, Amayo.
Second Row—Leep, Weldon, Warner, Knapp. Irons, Smith, Childers, Foglesong.

Girls' Athletics

Girls' "A" Club

MISS RUTH DUNMIRE
Coach

To have won an athletic letter is the requirement for membership in the Girls' "A" Club. Letters are given for 1,000 points earned in various sports. Points are won by playing games in the various sports for girls. Tournaments are held in basket ball, baseball, volley ball, track, deck tennis and archery. Additional points are given winners of the tournaments.

The club costume is a dark blue skirt and dark blue sweater on which the "A" earned is worn.

Miss Ruth Dunmire, gymnasium instructor, is sponsor of the group.

Girls' Athletics

Interclass teams from all classes except the seventh grade were chosen for basket ball, volley ball and baseball. Tournaments were held in the interest of the Girls' Athletic Association.

Girls' Volley Ball

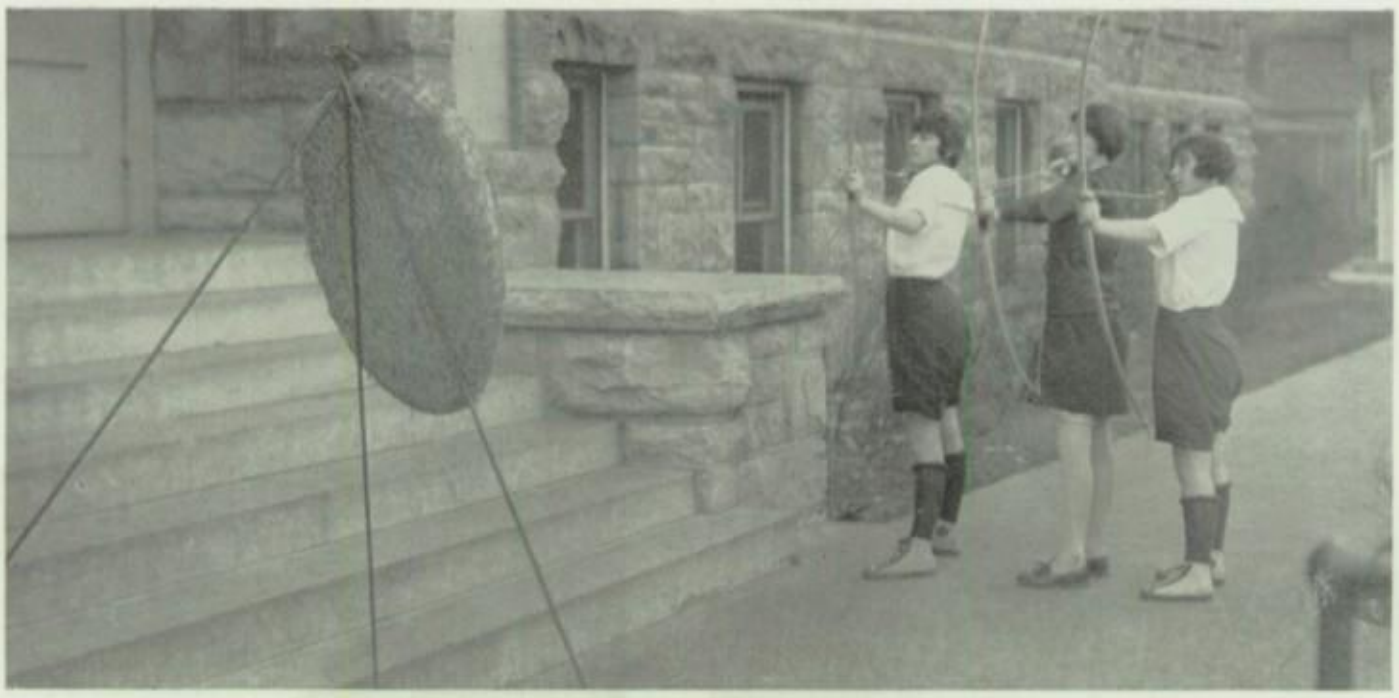
The junior class team defeated all other teams in volley ball. The senior team finished second, defeating all teams except the juniors. Those on the team: Onondas Bartley, captain, Florence Lehman, Kathleen Monsche, Catherine Schiebel, Joan Hagemann, Marjorie Layman, Elva Miller, Dorothy Bruce and Dorothy Christine.

The members of the volley ball teams were given eighteen and three-fourths points for each entire game played. Fifty additional points are given to members of the winning team.

Junior Girls' Volley Ball Team

Hagemann, Bruce, Layman, E. Pruitt, Monsche, E. Miller, Christine, Lehmann.

Archery



Erma Pruitt, Kathleen Monsche, Florence Lehman.

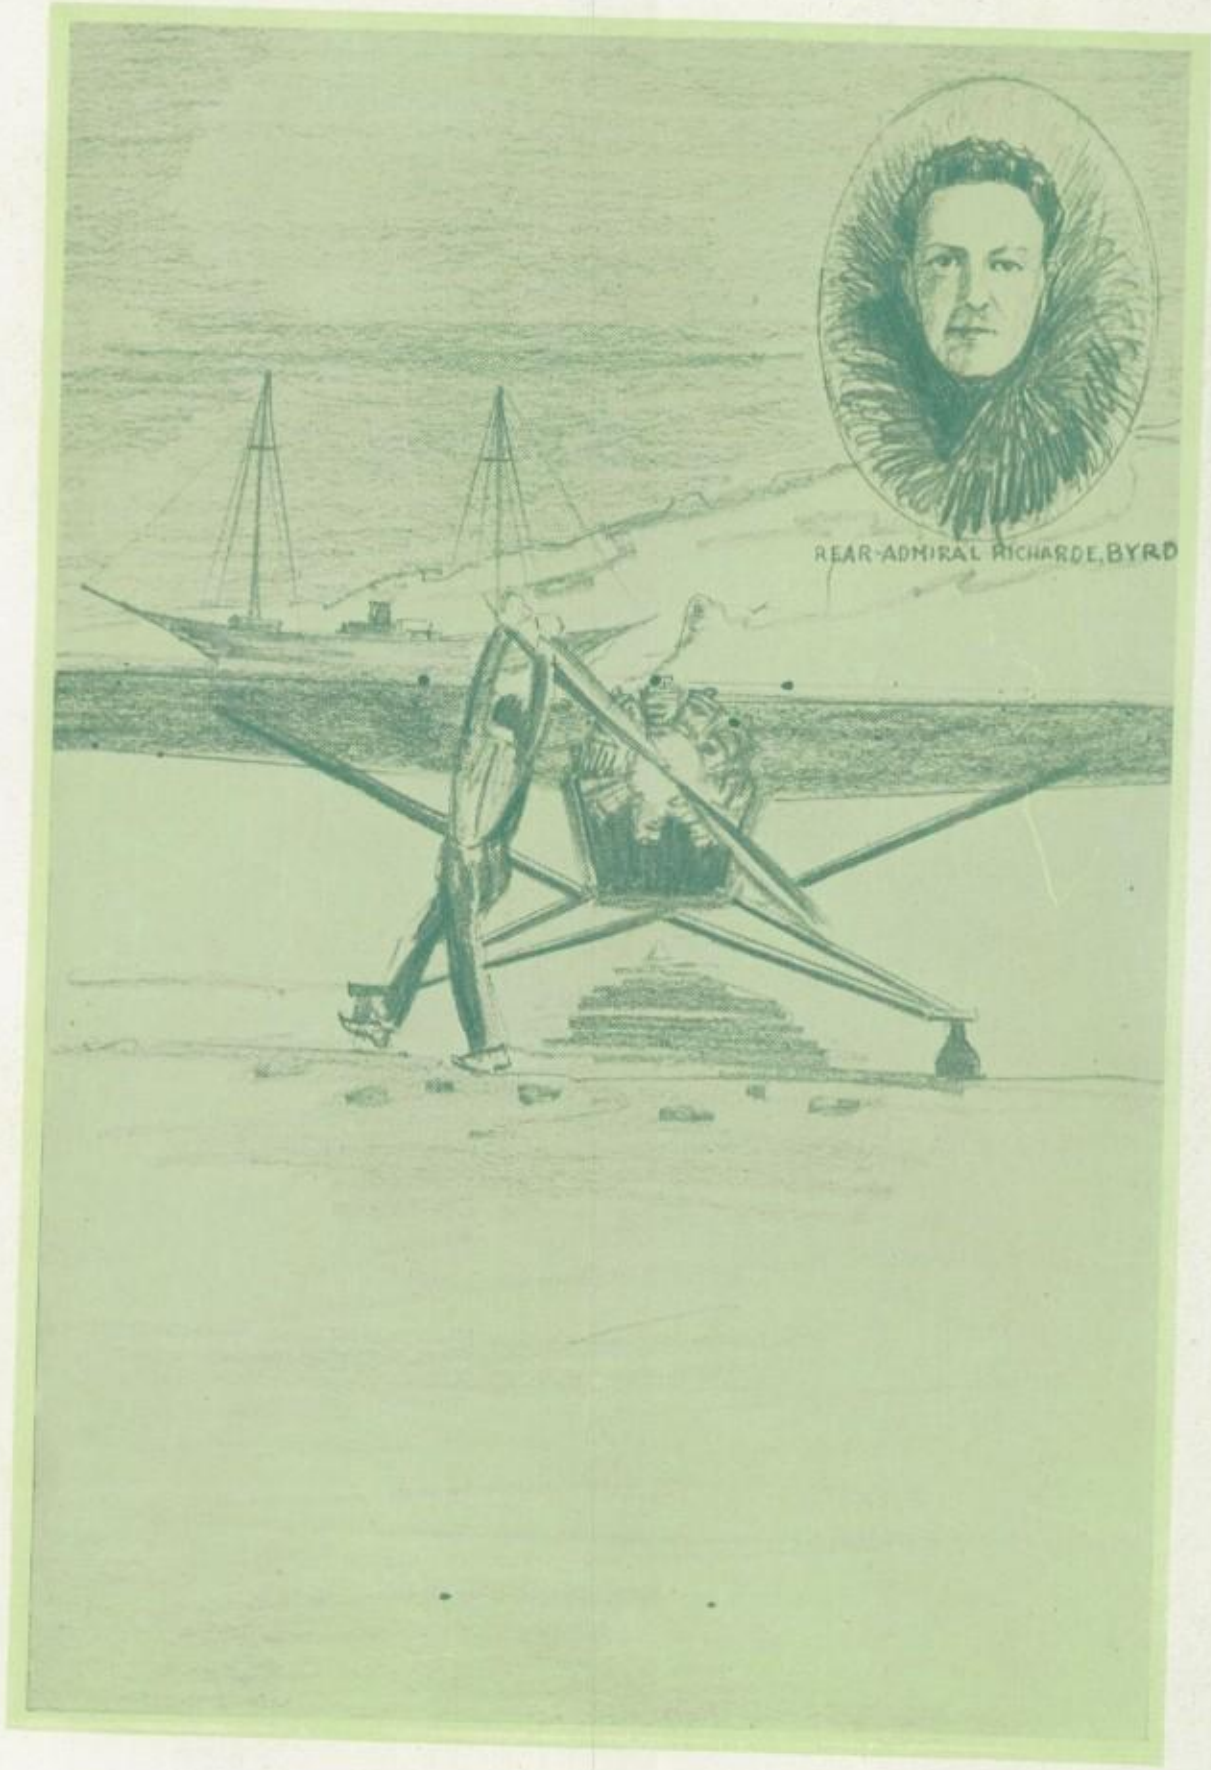
Archery is one of the newest sports in the school, having been introduced last year. All of the games held during the year were played at the Homestead Golf course. Class tournaments were planned but due to lack of equipment little progress was made in the development of them.

Senior Girls' Basket Ball Team

First Row—Norwood, Cox, Fisher, McKnight.
Second Row—Bird, Dorothy Earhart, Delice Earhart, Boyd.

Girls' basket ball teams were chosen by each class of the school except the seventh grade. The members on the team received thirty-seven and one-half points for each entire game played. These points are recorded and counted toward the thousand points necessary for a girl to receive a letter, "A", for her sweater. Five hundred points entitle a girl to a numeral.

The tournaments were held at the Argentine Parish House.



The Antarctic Expedition, under the direction of Commander Richard E. Byrd, was another triumph in science.

Journalism

The Argentian, the high school paper, is edited by the journalism classes twice a month. The members of the beginning journalism class are news reporters. They do not secure staff positions but help collect news. The second-year journalism students are given staff positions and are expected to put in a certain number of hours after school each six weeks to meet the requirements of that position. The editor, make-up editor, business manager and advertising manager are chosen from the third year class.

Each class has, along with the regular journalism work, its English and literature work.

The Press Club was organized five years ago for the purpose of bringing the students into closer relation with the school paper, and to stimulate interest in journalism. This organization is composed of the members of the journalism classes who have a required number of inches of news printed in the paper.

The paper this year was awarded first place by the Columbia Scholastic Press Association, Columbia University and it received an All-American rating from the National Scholastic Press Association, University of Wisconsin.

An account of an interview with Senor Ortiz Rubio, president of Mexico, was judged by the University of Kansas Journalism Department the best news story printed in a high school newspaper.

National Honor Society

First Row—Miller, Post, Daniels, McKnight, Kenton.
Second Row—Sprague, Graham, Worthington.

The National Honor Society is recognized in many city high schools which have agreed upon the same standard of scholarship and similar methods of recognition for the entire group of schools.

Fifteen per cent of the upper one-fourth of the seniors are chosen, by the entire faculty, according to scholarship, service, character, and leadership virtues.

Campfire

Approximately thirty junior high school girls were members of the Campfire organization this year. These were organized into two groups: the We-el-ken, meaning love and happiness, sponsored by Miss Lillian Jessup and Miss Malta Sheppard; and the So-fe-ha meaning love, peace and happiness, sponsored by Miss Ruth Dunmire, assisted by Thelma Earle.

The purpose of campfire work is to interest the girls in outdoor recreation and group work in which they strive for the ranks of wood-gatherer, fire-builder, and torch-bearer. They have sold pencils, doughnuts, and candy for their money to finance their social functions.

Parent-Teacher Association

Last year the Parent-Teacher Association decided to earn all money for its activities before school started so that it would not have to raise any during the year. All money was to be put on a budget basis.

The plan was carried out when from August 16-17 it held a carnival at Emerson Park.

MRS. W. E. BISHOP
President

The amount netted at this carnival was one hundred forty-eight dollars.

On the budget system one hundred forty-four dollars was spent for many beneficial purposes.

Do you wish in business to take a part?
And haven't the money with which to start,
Then keep a level head and a happy heart,

AND SAVE:

Is the University your goal next year,
Or do you wish to marry one near and dear?
And the absence of cash causes doubt and fear,

THEN SAVE:

After the saving habit is formed, my friend,
You will know much better how to spend.
Then your assistance you can lend

So others may learn to **SAVE:**

Now one thing more I wish to say:
As you deposit your savings day by day,

THE FIRST STATE BANK will gladly pay
INTEREST on all you **SAVE!**

THE OLD RELIABLE

FIRST STATE BANK

Forty-One Years of Friendly Service

Pride of Possession

You will take a real pride in the smart style, fresh, new beauty of the Ford, just as you will find an ever-growing satisfaction in its alert, capable performance.

From the new, deep radiator to the tip of the curving rear fender there is an unbroken sweep of line—a flowing grace of contour and harmony of color heretofore thought possible only in an expensive automobile.

At today's low prices the new Ford is an outstanding value, for it combines everything you want or need in a motor car . . . beauty . . . safety . . . comfort . . . speed . . . power . . . quick acceleration . . . ease of control . . . economy . . . reliability and long life.

Paul Shear's Run

by Shortfellow

Listen now, students, and you shall hear
Of the hundred-yard run of Paul Shear
On the twenty-eighth of November, in twenty-nine
Hardly a man in the city can you find
Who doesn't remember that famous time.

He said to Innes, "If Rosedale does start
By right end or left to make a dart
Signal to me and I shall be
Ready to speed and score for thee."

Then he said, "Bye bye", and bided the hour
When the dark cloud of battle was slated to lower.
It finally came, and a huge crowd assembled
That did so much shouting the stadium trembled.

Meanwhile impatient to catch the ball
All combed and groomed, handsome and tall,
On the Mustang team waited Paul Shear.
Now gazed at the landscape both far and near;
Now impetuously stamped the ground
And tightened and turned his head gear 'round
But chiefly awaited with his ear eager
The hoped-for signal of the leader.

It came at length like a lightning flash,
But he was ready to make the dash.
There was a hurry of feet on the field of sleet,
A shape of a quarter back, a bulk in the dark
And beneath by Shear's feet was a spark
Struck out in his run, fearless and fleet.

You know the rest. In papers you read
How the Rosedale regulars punted and fled;
How Argentine traded them ball for ball
From behind each yard line, goal post and wall.
You well remember this famous time,
The last of the season of '29.
